FROM THE BOARD PRESIDENT

As we emerge from a very unusual year, I want to report that A Safe Place is in a very strong and stable place. Although we were unable to have our 2020 Summer Event in July and our Walk a Mile was a virtual event, we have been able, because of our very loyal and dedicated supporters, to sustain all of our programs, add a few new ones, and take care of survivors of domestic violence and sexual assault.

We had planned to have Elizabeth Smart as our guest for our 2020 Summer Event, but because of Covid protocols, that was not possible. Fortunately we were able to postpone all of our arrangements to this summer, but that left us with no major summer fundraising event for this past year. Our Walk A Mile, scheduled for October 2020, although virtual, was successful thanks to the support of our sponsors.

What made the difference in this crazy year was our very successful Annual Appeal in November. For the second year in a row, we exceeded our budgeted expectations. This helped enormously to get us through this period of unexpected lack of fundraising events.

One thing is certain, without our donors, we wouldn't have been able to help all who reached out to us this past year. Both new donors and those who have been with us for years, everyone stepped up to help. And because of all of the people listed in this report, we were able to carry on and even increase our level of care. We are so grateful for the generosity of the Nantucket local and seasonal community and all who have supported our mission throughout this very unusual year.

With gratitude,
Linda Hoey

FROM THE EXECUTIVE DIRECTOR

I write this letter with sincere appreciation for each of you, our supporters, friends, and donors, for the many ways that you contribute to A Safe Place and help survivors in our community. It is through your generosity that we can provide the services that we do and provide them completely free of charge to anyone in need.

Although it has been a challenging year because of the pandemic, the organization has really had a successful year. We are fortunate to be fully staffed with a diverse and professional team who really cares about the mission of A Safe Place. In addition to the strong staff team, other highlights from the last year include uninterrupted services 24-hours per day to 317 survivors and their loved ones, assistance with more basic needs requests than ever before with food/food cards, hygiene supplies, and payment of rent and utilities as well as legal services for survivors, reimagined ways to provide outreach and prevention to the community, and continued efforts in helping us reach our goals in our strategic plan.

A Safe Place remains committed to supporting all survivors of domestic violence and sexual assault regardless of race, color, immigration status, religion, sexual identity or gender. We will continue to do the work we do with survivors as our #1 priority. I look forward to working within this wonderful community over the next year and continuing to guide the agency in a positive direction. I am truly blessed to have this opportunity.

Thank you from the bottom of my heart for supporting A Safe Place and, more importantly, survivors. Every gift, small or large, and every act of kindness towards the organization really does make a difference.

Best,
Jennifer Frazee
